

# #NATURALATNICHOLS ANNUAL PLAN

Keep your skin smooth, lifted, and radiant all year long

## THE STAY LIFTED PACKAGE WITH BOTOX®

This package includes a series of Botox® treatments throughout the year to help maintain a smooth, well-rested, and wrinkle-free appearance. Treatment areas include the brow, forehead, and crow's feet.

## THE GREENWICH SECRET™ WITH RF

Our trademarked treatment, The Greenwich Secret™, helps to tighten skin, improve texture, minimize pore size, reduce the appearance of fine lines and wrinkles, and minimize acne scarring and stretch marks. This dual-action technology includes microneedling with radiofrequency to boost collagen and tighten the skin to dramatically improve the skin's appearance. Option to enhance your treatment with *Sculptra*® or *(Plated) Calm Exosomes*.

## SKIN TIGHTENING TREATMENT WITH ULTHERAPY®

Using high-energy microfocused ultrasound technology, Ultherapy® has been named New Beauty's #1 "best skin tightening treatment" and Dr. Nichols calls this treatment, 'The Gold Standard of Collagen Production'. Dr. Nichols recommends Ultherapy® annually to help lift brows, smooth crow's feet, tighten under-eye crepiness, define the jawline, and tighten skin overall.
